Stephen W.:

We see, in New York City, injuries involving the transit system, we see negligence by the New York City Transit Authority, the MTA, involving train accidents. We see many incidences where incidents occur involving city or municipal buses, New York City Transit Authority buses, whether it's a collision with another vehicle, whether it's an injury to a rider on the bus. Those cases require special knowledge and skill to understand the documents that are needed that one needs to request or demand from the Transit Authority or other municipal entities.

Speaker 2:

They really did everything to make me feel confident and calm and relaxed and saying, "Don't worry. Everything's gonna be okay." He makes me feel like if we go into trial, he knows how to represent me.
